

FOR IMMEDIATE RELEASE

GMTX.Exchange Announces \$1.9 Billion Token Placement with Bagabo Foundation

Cheyenne, Wyoming – August 15, 2025 – GMTX.Exchange, *An Exclusive Private International Token Exchange for Discerning Clientele*, is pleased to announce the successful placement of **USD \$1.9 billion in tokenized value** into the wallet of the **Bagabo Foundation** (Wallet ID: *DADSTRWALUCEHB3NFZGKU3F9JMDVEJK4L07T3QZW7ZFU0IEC*). The transaction originated from **Ameri Biotech, Inc.**, underwritten by **WEDRTBA Inc.**, and executed via a **Wyoming-registered smart contract**.

A **financial guarantee** for this transaction was provided by **Zurich Financial Guarantee and Security Company**, reinforcing GMTX's commitment to secure, compliant, and high-value tokenized finance.

Tokens Included in the \$1.9 Billion Placement:

- **ALTX – Ameri Legal Tender E-Token** (Wyoming File #2022-00051040) – USD \$575,287.50 per token
- **AMIC – Ameri Coin** (Wyoming File #2021-00050613) – USD \$428,159.38 per token
- **CRIB – Crypto Infrastructure Bond** (Wyoming File #2021-00050619) – USD \$727,375.00 per token
- **NAOG – North American Oil, Gas & Utilities Token** (Wyoming File #2022-00051043) – USD \$723,350.00 per token

Note: In accordance with GMTX.Exchange privacy protocols, token quantities are not publicly disclosed.

“This \$1.9 billion placement demonstrates the confidence of institutional partners in leveraging tokenized finance for foundational industries. By providing secure settlement through Wyoming-registered smart contracts and financial guarantees, GMTX delivers the discretion and reliability our clientele require,” said **Shah Mathias, CEO of GMTX.Exchange**.

This milestone reaffirms GMTX.Exchange's mission to provide **exclusive, high-value tokenization opportunities** within a secure, private, and globally compliant framework.
