GMTX.Exchange Announces the Listing of ACLTT Token – “Agriculture and Commodities, Legal Tender Token”

Cheyenne, Wyoming – August 16, 2025 – GMTX.Exchange, *An Exclusive Private International Token Exchange for Discerning Clientele*, is pleased to announce the **listing** of the **ACLTT Token** (“Agriculture and Commodities, Legal Tender Token”), created by **Ameri Metro Infrastructure Cryptocurrency Inc.**, and registered under **Wyoming File #2025-00051550**. The token is listed on GMTX.Exchange at an initial valuation of **USD \$200,000 per token**.

The ACLTT Token is designed not only as a high-value store of capital but also as a **financial instrument for the modernization of agriculture and commodities trade**. ACLTT provides a mechanism for settlement, exchange, and financing within the global commodities sector, enabling participants to adopt a secure, blockchain-based form of payment aligned with international standards. **As a medium of exchange and recognized form of legal tender under Wyoming’s digital asset regulations**, ACLTT is positioned to serve as a trusted method of settlement in agriculture and commodities modernization.

Key Highlights of ACLTT Token:

- **Origin & Registration:** Created by Ameri Metro Infrastructure Cryptocurrency Inc., registered under Wyoming File #2025-00051550.
- **Backed by Agriculture & Commodities:** Structured with a focus on tangible, real-economy assets.
- **Legal Tender Alignment:** Designed to integrate within structured financial frameworks.
- **Functional Utility:** Intended as a payment method and financing tool for agricultural producers, commodity traders, and international partners, with recognition as a medium of exchange and legal tender under Wyoming digital asset statutes.
- **Exclusive Market Access:** Available exclusively through GMTX.Exchange’s private platform.
- **Listing Price:** USD \$200,000 per token.

“The listing of ACLTT underscores GMTX’s role in advancing exclusive tokenized finance while aligning with core industries essential to the global economy. We are proud to provide a market for a token that blends agriculture, commodities, and financial innovation into a single, high-value asset, while offering real-world payment utility in the modernization of trade and settlement,” said **Shah Mathias**, CEO of GMTX.Exchange.

The listing of ACLTT further demonstrates GMTX.Exchange's commitment to offering **bespoke digital asset opportunities** to its select clientele while maintaining **discretion, compliance, and international financial integrity**.
